

Late & Non-Payment Fee Disclosure Document for the *WELLNESS PLAN AGREEMENT*

We would like to thank you for being a client of ours. We value your time and support of our practice, and want you to find the best value for the best care possible for your pets. Please read below our updated Wellness Plan Agreement Terms for Late and Non-Payment Fees.

Late & Non-Payment Fees Terms:

If for any reason an auto payment is declined, a late fee of \$25 will be charged for each seven (7) days the payment is late. Del Mar can refuse care and services until the account is brought up to date. After 30 days of nonpayment, the monthly payment clause of the contract becomes void and the total amount becomes due. After 35 days of nonpayment, or if the credit card on file is cancelled, the account will be sent to collections for the full amount of the contract plus applicable late charges. The client shall pay for all legal or professional fees associated with collection.
